Hi Ted and Ray -

Attached is the scan of the Admiral signature. As stated, will get original next week.

All that remains is SHPO signature.

Faith,
Here you go. RDML Smith was able to turn it around quickly. He should be bringing back the original. Will get it to you next week sometime. Let me know if you need anything else.

Hi John -

Friday afternoon would be too late. Please get the RDML to sign, have the scanned page sent back to me and then I will pick up original when RDML brings it back. Scanned page will suffice for this week. Looking forward to getting the scanned signature page. Thanks.

Faith

Aloha Faith,

Wanted to confirm that a scanned page will suffice for this week with the hard copy original to follow? Also, found out that the RDML will be back Friday afternoon. Is this too late to have him sign? If Friday afternoon is too late, we will work on getting him to sign and scan an electronic copy. Let me know. Thanks.

Hi John -

Attached is the PA signature page that RDML Dixon Smith needs to sign and date. Please have the signed page scanned and send it to me. I will get it to FTA. When RDML Smith returns with the signed page, I can arrange for someone to pick up. Thanks.

Faith
